

# Bradford Central PRU

## Administration of Medication Policy

Policy agreed by Staff on:	30 January 2018
Ratified by full Management Committee:	30 January 2018
Review Date:	Spring 2021
Agreed Frequency of Review:	3 Yearly
Allocated Group / Person to Review:	MC can delegate to committee or individual member or HT
Signed by Chair:	
Signed by Headteacher:	

## **Background / Purpose**

There is explicit guidance in relation to the administration of medication in educational settings which has been developed in collaboration with Health Services. The purpose of this policy is to draw together necessary medication procedures relating to the PRUs.

## **Policy objectives**

To ensure adherence to guidance on the administration of medication provided by the City of Bradford MDC.

## **Procedures and practices**

City of Bradford MDC guidance on administration of medication in schools provides the basis for the following procedures:

- 1 Parents and carers are responsible for supplying the centre with all necessary information regarding their child's condition and medication. This should be provided in conjunction with the GP or other medical professional as appropriate. This information should be recorded on a standard form which records the request of the parent to the administration of medication which should be updated regularly – **Appendix 1**. A signed copy of this form should be kept in an accessible place near to the medicine, a copy on the pupil's file and a copy given to parents.
- 2 There is an additional form to be completed by parents where pupils require several medications – **Appendix 2**. Parents should also sign this form to confirm that the combined medications have been administered to the pupils without any adverse effect and that approval has been obtained for their combined administration from a medical practitioner.
- 3 If the Head of Centre agrees s/he will confirm in writing to the parent that a named member of staff (authorised by the Head of Centre) will administer medicine to the pupil. The named member of staff will also confirm in writing that they will supervise the pupil whilst they take their medication – **Appendix 3**
- 4 Medication can only be administered to pupils where parents **provide** such medication to the centre and parents must specifically **request in writing** that the centre staff administer it.
- 5 All items of medication should be delivered to a named member of the centre staff by parents, carers or escorts employed by the authority. The name of that member of staff must be recorded on **Appendix 1**
- 6 Where a parent of a child under 16 requests that the pupil carries and administers his/her medication they should complete **Appendix 4**. The Head of Centre will decide whether to grant this request taking into account the pupil's age, understanding, the nature of the medication and the safety of other pupils. If s/he decides to approve this arrangement **Appendix 3** must be completed and returned to the parent(s).
- 7 In all other cases parents should be notified in writing that all medication should be delivered to the centre directly into the keeping of either the Head of Centre or authorised person in a secure and labelled container as originally dispensed.

- 8 Each container should be clearly labelled with the following:
  - Name of medication
  - Pupil's name
  - Pupil's date of birth
  - Dosage
  - Dosage frequency
  - Date of dispensing
  - Storage requirements (if applicable)
  
- 9 Parents should be asked to make it clear whether medication needs to be kept in the centre or should be collected at the end of the day.
  
- 10 Unless otherwise indicated, all medication to be administered will be kept in a locked medicine cabinet (*the centre will need to identify here where the cabinet is located, who will have access to it etc.*). Advice on storing medication is contained in paragraphs 65-69 of the Good Practice Guide "Supporting Pupils with Medical Needs" which schools are advised to consider in drawing up their own school policy and procedures.

### **Roles and responsibilities**

The Head of Centre will ensure that:

- They accept responsibility for members of centre staff giving or supervising pupils taking prescribed medication during the school day where those members of staff have volunteered to do so.
- The above procedures are adhered to and that records are maintained including central record of all pupils who have received medication (**Appendix 5**).
- Staff undertake relevant training if they are involved in the administration of medication. Those details to be included on **Appendix 6**.
- There is clear information available to parent(s)/carer(s) on their responsibility, and that of the staff in the centre, to the administration of medication.
- Any issues arising from the implementation of this policy are brought to the attention of the PRU Management Committee.

The PRU Management Committee will ensure that:

- The Heads of Centre are supported in the implementation of this policy.
- Any necessary revisions to the policy are undertaken.

### Documentation

Appendix 1	Request Form and Instructions
Appendix 2	Additional Form where several medications are required
Appendix 3	Confirmation to parents of Head of Centres agreement
Appendix 4	Request for pupil to carry and administer own medication
Appendix 5	Record of Medication Given
Appendix 6	Staff Training Record

**SUPPORTING CHILDREN WITH MEDICAL NEEDS IN BRADFORD CENTRAL PRU**

**The Administration of Medicines at Aireview and Jesse Street**

Request form for parents/carers to complete if they wish the PRU to administer medication.

The PRU will not give your child any medication unless you complete and sign this request form and the Head of Centre has confirmed that PRU staff have agreed to administer the medication and, where necessary have received appropriate training.

**CONFIRMATION OF THE HEAD OF CENTRE'S AGREEMENT TO REQUEST TO  
ADMINISTER MEDICATION**

(Example letter for the PRU to complete and send to parent/carer if they agree to their request to administer medication to a named child).

Dear *(name of parent/carer)*

I agree that *(name of child)* will receive *(quantity and name of medication)* every day at *(time medication to be administered e.g. lunchtime or afternoon break)* as you have requested

*(Name of child)* will be supervised whilst he/she takes their medication by *(name of member of staff)*. This arrangement will continue until *(either end of course of medication or until instructed by parents)*.

Each item of medication must be clearly labelled by the parent with the following information:

- Pupil's name
- Date of Birth
- Address
- Name of Medication
- Dosage
- Frequency of dosage
- Date of dispensing
- Storage requirements (if necessary)
- Expiry date

The PRU will not accept medication which is in unlabelled containers.

You have already supplied to us the information in the attached form giving details of your child's medication.

Where your child requires several medications you have confirmed that the combined medication has been administered to your child without any adverse effect and that approval has been obtained from a medical practitioner for their combined administration.

Can I remind you that it is your responsibility to ensure the PRU is informed in writing of any changes in your child's medication. The PRU should also be informed of any other circumstances that may affect the administration of medicine or your child's reaction to that medicine.

Signed: .....  
(Head of Centre)

I confirm that I will supervise ( \_\_\_\_\_ ) whilst he/she takes their medication.

Signed: .....(Name of member of staff)
