Purpose/Background

Bradford Central PRU aims to ensure that all members of its learning community feel welcome, safe and able to learn and make progress. Bullying of any kind prevents this from happening.

Definition of Bullying:

Bullying is the repetitive, intentional hurting of one person by another, where the relationship involves an imbalance of power. Bullying can be carried out physically, verbally and/or emotionally. It can take many forms including discriminatory comments, or can occur through cyberspace, in the form of e-mail or text messages etc.

Not all negative interactions between pupils can be characterised as bullying and the centres work hard to ensure that pupils understand the differences between bullying and falling out or arguing.

Practice and Procedures

Bullying has a huge range of consequences for both the victim and perpetrator, for those that witness the bullying, for the staff involved, for the community and for society at large.

Everyone involved in the life of the PRU must take responsibility for promoting a common anti-bullying approach by being supportive of each other, providing positive role models and conveying a clear understanding that we disapprove of unacceptable behaviour.

As a PRU we take bullying seriously. Pupils, staff, parents and carers should understand that reporting bullying is essential and be assured that the centres will support them fully whenever bullying is reported.

It is the responsibility of all members of the PRU community to implement the Anti-Bullying Policy.

Staff have a vital role to play, as they are at the forefront of behaviour management and supporting their pupil's sense of well-being in the centres.

We expect that staff will:

- Behave in a respectful and caring manner to pupils and colleagues, to set a good tone and help create a positive atmosphere.
- Provide good role models.
- Raise awareness of bullying through curriculum activities including assemblies, role play, discussion, peer support.
- Through the Head Teacher, keep the PRU Management Committee informed of the effective delivery of this policy.

We expect that pupils will:

- Support the Head of Centre and staff in the implementation of the policy. This might involve contributing to agreed approaches designed to reduce bullying or better deal with incidents that arise.
- Be involved in the monitoring and review of the policy.
- Feel confident that everything is being done to make the centre a safe and secure environment for them to achieve and learn.
- Feel supported in reporting incidents of bullying.
- Be reassured that action regarding bullying will take place.

PRU Management Committee supports the implementation of this policy and regularly monitor incident reports and actions taken to ensure its effectiveness.

Recording

All incidents in or out-of-class should be recorded on the Sentinel on-line reporting system. Incidents clearly identified as bullying must be reported to a member of the Senior Leadership Team (Head Teacher or Head of Centre).

Monitoring

Trends and strategies are analysed for inclusion in the Head Teachers reports to the PRU Management Committee.

Careful monitoring and analysis provides us with a regular opportunity to link monitoring to action planning for the following academic year.
