## **Statement of Intent**

This policy outlines the framework for Bradford AP Academy (BAPA) to meet its duties and obligations to provide a high quality education to all of its pupils, including pupils with special educational needs and / or disabilities.

BAPA therefore intends to work with Bradford District Metropolitan Council and within the following principles, which underpin this policy:

- The involvement of children, parents and young people in decision making.
- The identification of children and young people's needs.
- Collaboration between education, health and social care services to provide support. High quality provision to meet the needs of children and young people with SEN.
- Greater choice and control for young people and parents over their support.
- Successful preparation for adulthood, including independent living and employment.

## **Legal framework**

This policy will have due regard to legislation, including, but not limited to:

- Children and Families Act 2014 (and related regulations).
- Health and Social Care Act 2012.
- Equality Act 2010.
- Mental Capacity Act 2005. Statutory Guidance on Supporting Pupils at School with Medical Conditions (2014)
- The Special Educational Needs and Disability Regulations (2014)
- Articles 12 and 13 of the United Nations Convention of the Rights of the Child

It will also take into account statutory and non-statutory related guidance, including, but not limited to:

- SEN Code of Practice 0-25.
- Supporting Children with Medical Conditions.
- Keeping Children Safe in Education.
- Working Together to Safeguard Children.

## **1. Definitions**

The 2014 Children and Families Act states that a child has a special educational need if they have a:

- Significantly greater difficulty in learning than the majority of others of the same age.
- Disability or health condition which prevents or hinders them from making use of educational facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions.

## **2. Areas of special educational need**

BAPA will make provision for pupils with the following four kinds of need:

- Communication and interaction.
- Cognition and learning.
- Social, mental and emotional health.
- Sensory and / or physical.

### 3. Admissions

BAPA will ensure it meets its duties under the Schools Admissions Code of Practice by:

- Not refusing admission for a child that has named the school in their Education Health and Care (EHC) plan.
- Adopting fair practices and arrangements in accordance with the Schools Admission Code for the admission of children without an EHC plan.
- Considering referrals for children who have SEN but do not have an EHC plan. Not refusing admission for a child who has SEN but does not have an EHC plan because the school does not feel able to cater for those needs.
- Not refusing admission for a child on the grounds that they do not have an EHC plan.

### 4. Roles and responsibilities

The named governor for SEND is **David Ward**

The Local Advisory Board (LAB) has a responsibility to:

- Fully engage parents and / or young people with SEN when drawing up policies that affect them.
- Identify, assess and make SEN provision for all children and young people with SEN, whether or not they have an EHC plan.
- Use their best endeavours to secure the special educational provision, should it be required, to meet the needs of the child or young person.
- Designate an appropriate member of staff (the SEND co-ordinator (SENDCO)) as having responsibility for co-ordinating provision for pupils with SEN.
- Appoint a designated teacher for Looked After Children (LAC)
- Make reasonable adjustments for pupils with disabilities to help alleviate any substantial disadvantage they experience because of their disability.
- Take necessary steps to ensure that pupils with disabilities are not discriminated against, harassed or victimised.
- Publish annual information on the school's SEND Policy, setting out the measures and facilities to assist access for pupils with disabilities.
- Publish annual information about the arrangements for the admission of pupils with disabilities, the steps taken to prevent children from being treated less favourably than others, the facilities provided to assist pupils with disabilities, and the academies accessibility plan.
- Publish accessibility plans setting how they plan to increase access for pupils with disabilities to the curriculum, the physical environment and to information, reviewable every 3 years.

- Develop complaints procedures which, along with details about appealing to the SEND Tribunal, will be made known to parents and pupils through a Single Point of Access.
- Provide suitable, full-time education from the 6th day of a fixed permanent exclusion of a pupil with SEN, in line with their EHC plan.

The Headteacher has a responsibility to:

- Ensure that those teaching or working with the pupil are aware of their needs, and have arrangements in place to meet them.
- Ensure that teachers monitor and review the pupil's progress during the course of the academic year.
- Cooperate with local authorities during annual EHC plan reviews.
- Ensure that the SENDCO has sufficient time and resources to carry out their functions.
- Provide the SENDCO with sufficient administrative support and time away from teaching to enable them to fulfil their responsibilities in a similar way to other important strategic roles within the academy.
- Regularly and carefully review the quality of teaching for pupils at risk of underachievement, as a core part of the school's performance management arrangements.
- Ensuring that teachers understand the strategies to identify and support vulnerable pupils and possess knowledge of the SEN most frequently encountered.

The SEND Co-ordinator (SENDCO) must:

The SENDCO is **Liam Gordon**

- Be a qualified teacher.
- Attain the National Award in Special Educational Needs Coordination within three years of appointment.
- Collaborate with the LAB and Headteacher to determine the strategic development of SEN policy and provision at BAPA.
- Work with the LAB and the Headteacher to ensure that the school meets its responsibilities under the Equality Act (2010) with regard to disability, reasonable adjustments and access arrangements.
- Undertake day-to-day responsibility for the operation of SEN policy.
- Coordinate the specific provision made to support individual children with SEN, including those who have EHC plans.
- Facilitate for staff training to ensure that staff are able to fulfil the roles required of them, with regard to SEN.
- Liaise with the relevant designated teacher where a LAC pupil has SEN.
- Advise on a graduated approach to providing SEN support.
- Advise on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively.
- Liaise with the parents of pupils with SEN.

- Liaise with other schools to ensure smooth transition into BAPA, educational psychologists, health and social care professionals, and independent or voluntary bodies.
- Be a key point of contact with external agencies, especially the Local Authority (LA) and LA support services.
- Liaise with the potential future providers of education to ensure that the pupil and their parents are informed about options and a smooth transition is planned.
- Provide professional guidance to colleagues and work closely with staff members, parents, carers, and other agencies, including SEN charities.
- Be familiar with the provision in the Local Offer and be able to work with professionals providing a support role to the family.
- Ensure, as far as possible, that pupils with SEN take part in activities together with those who do not have SEN.
- Ensure that the school keeps the records of all pupils with SEN up-to-date.
- Inform the child's parents that SEN provision is being made, where the child does not have an EHC plan.
- Ensure that liaison takes place with outside agencies, so that the needs of the child are addressed.
- Facilitate for parents to access information relating to support organisations, such as Barnardo's Parent partnership.

Class / subject teachers must:

- Plan and review support for their pupils with SEN, on a graduated basis, in collaboration with parents, the SENDCO and, at an appropriate level, the pupil themselves.
- Set high expectations for every pupil and aim to teach them the full curriculum, whatever their prior attainment.
- Use appropriate assessment to set targets which are deliberately ambitious.
- Plan lessons to address potential areas of difficulty and to ensure that there are no barriers to every pupil achieving.

## **5. Involving pupils and parents in decision making**

Effective planning will help parents, children and young people with SEN express their needs, wishes and goals, and should:

- Focus on the child or young person as an individual, not their SEN label.
- Be easy for children, young people and their parents to understand and use clear ordinary language and images, rather than professional jargon.
- Highlight the child or young person's strengths, interests and capacities.
- Enable the child or young person, and those who know them best, to say what they have done, what they are interested in and what outcomes they are seeking in future.
- Tailor support to the needs of the individual.
- Organise assessments to minimise demands on families.
- Bring together parents and relevant professionals to discuss and agree together the overall approach.

## **6. Joint commissioning, planning, and delivery**

BAPA will collaborate with the LA in the exercise of its duty to work together with health and social care providers by:

- Identifying improved system outcomes in consultation with pupils and their parents, taking into account:
  - Prevention.
  - Early identification / recognition.
  - How pupils and their families will be able to access services.
  - How transitions between life stages and settings will be managed, including school to AP, AP to school/specialist setting and AP to further education (FE).
  - How provision and support services will enable pupils to prepare for their future adult life.
  
- Draw on the wide range of local data-sets about the likely education needs of children and young people with SEN to forecast future need, including:
  - Population and demographic data.
  - Prevalence data for different kinds of SEN and disabilities among children and young people at national level.
  - Numbers of local children with EHC plans and their main needs.
  - The numbers and types of settings locally that work with or educate children with SEN and disability.
  - An analysis of local challenges / sources of health inequalities.
  
- Plan, deliver and monitor services against how well outcomes have been met, including, but not limited to:
  - Improved educational progress and outcomes for children and young people with SEN.
  - Increasing the proportion of children with SEN whose needs are identified before school entry.

## **7. Funding**

BAPA will allocate the appropriate amount of funding for the SEN provision of its pupils.

Personal budgets are allocated from the LA's high needs funding block and BAPA will continue to make SEN provision from its own budgets, even if a pupil has an EHC plan.

Where applicable, additional funding such as Pupil Premium, will also support the individual pupil.

## **8. Local offer**

BAPA will cooperate generally with the local authority and local partners in the development and review of the local offer. The local offer at BAPA supports the Council's Local Offer. Information regarding the Bradford Local Offer can be found on the internet at:

<https://localoffer.bradford.gov.uk/>

There is also a link to the Local Offer on our website home page.

## 9. Identification

To identify pupils with SEN, BAPA will:

- Assess each pupil's current skills and levels of attainment on entry.
- Make regular assessments of all pupils to ensure that the intervention:
  - Ensures that the child's progress is similar to that of their peers starting from the same baseline.
  - Matches or betters the child's previous rate of progress.
  - Closes the attainment gap between the child and their peers.
  - Prevents the attainment gap growing wider.
  - The school will provide extra support to pupils falling behind or making inadequate progress given their age and starting point.
  - Assess whether a pupil has a significant learning difficulty where pupils continue to make inadequate progress, despite high-quality teaching targeted at their areas of weakness.

## 10. Graduated approach

BAPA will, once a potential SEN has been identified, employ the graduated approach to meeting the pupil's needs, including:

- Establishing a clear **assessment** of the pupil's needs. This may include support from an Educational Psychologist (EP).
- **Planning** with the pupil and parents, the interventions and support to be put in place, as well as the expected impact on progress, development and behaviour, along with a clear date for review.
- **Implementing** the interventions, with support of the SENDCO.
- **Reviewing** the effectiveness of the interventions and making any necessary revisions.

## 11. SEN Support

Because all young people who have been referred for a placement at BAPA have been highlighted at a level of SEMH need that requires an intervention outside of the mainstream setting, they will be classified as having a minimum level of need as SEN Support. The strategies and interventions implemented by BAPA will offer an appropriate level of intervention to meet the SEN Support needs of each individual pupil.

## 12. Assessment

- BAPA will, in consultation with the pupil's parents, request a statutory assessment of SEN where the pupil's needs cannot be met through the resources normally available within the academy.
- BAPA will meet its duty to respond to any request for information relating to a statutory assessment, to the BAPA, within 6 weeks of receipt.

- If the decision is taken not to issue an EHC plan, BAPA will consider and implement the recommendations of feedback from the LA, regarding how the pupil's outcomes can be met through the schools existing provision.

### **13. Education, Health and Care (EHC) plans**

- BAPA will meet its duty to respond to the LA within 15 days, if it is named on a pupil's EHC plan.
- The school will admit any child that names the school in an EHC plan.
- The school will ensure that all those teaching or working with a child named in an EHC plan, are aware of the pupil's needs and that arrangements are in place in to meet them.
- The school will request a re-assessment of an EHC plan at least 6 months following an initial assessment, if a pupil's need significantly change.

### **14. Reviewing an EHC plan**

BAPA will:

- Cooperate to ensure an annual review meeting takes place, including convening the meeting on behalf of the LA if requested.
- Ensure that sufficient arrangements are put in place at the academy to host the annual review meeting.
- Seek advice and information about the pupil prior to the annual review meeting from all parties invited.
- Send any advice and information gathered to all those invited at least two weeks prior to the annual review meeting.
- Cooperate with the local authority during annual reviews.
- Prepare and send a report of the meeting to everyone invited within 2 weeks of the meeting.
- Ensure that a review of a pupil's EHC plan is undertaken at least 7 months before transfer to another phase of education.

### **15. SEN and Disability Tribunal**

- BAPA will meet any request to attend a SEND Tribunal and explain any departure from its duties and obligations under the SEN Code of Practice.

### **16. Preparing for adulthood**

- BAPA will ensure that it meets its duty to secure independent, impartial careers guidance for pupils aged 8-13, including:
- Preparation for adulthood in the planning meetings with pupils and parents/ carers from year 9.
- Helping pupils and their families prepare for the change in legal status once a young person is over compulsory school age

- Ensuring that careers advice and information provides high aspirations and a wide range of options for pupils with SEN.
- Helping pupils and parents understand and explore how the support they will receive in school will change as they move into different settings, and what support they are likely to need to achieve their ambitions.
- Securing access to independent face-to-face support for pupils with SEN or disabilities to make successful transitions.

## **17. Data and record keeping**

BAPA will:

- Include details of SEN, outcomes, teaching strategies and the involvement of specialists, as part of its standard system to report the progress, behaviour and development of all pupils.
- Maintain an accurate and up-to-date register of the provision made for pupils with SEN.
- Record details of additional or different SEN provision offered to any individual.

## **18. Confidentiality**

BAPA will not disclose any EHC plan without the consent of the pupil's parents with the exception of disclosure:

- To the SEN and Disability Tribunal when parents appeals and to the Secretary of State if a complaint is made under the Education Act 1996.
- On the order of any court for the purpose of any criminal proceedings.
- To Ofsted inspection teams as part of their inspections of schools and local authorities.
- To any person in connection with the pupil's application for disabled students allowance in advance of taking up a place in higher education.
- To the principal (or equivalent position) of the institution at which the pupil is intending to start higher education.

This policy should be read in conjunction with all other BAPA policies.
